Venue Spaces at Ancient Lore Village

Village Gardens

41-100 guests

Located in front of the dwellings, the Village Gardens is a large, covered pavilion. This space features heaters, fans, misters and removable sides, making it perfect for any weather! With AV capabilities, a large fire pit, and an outdoor bar nearby, this space truly creates a magical atmosphere.

Overlook at Willow's Landing

Up to 70 guests

Located atop Boyd Hollow Falls, the Overlook at Willow's Landing casts a view over the entire Village. This space features a pergola, beautiful steel cast patio furniture, and is connected to our gift shop and bar. Listen to the sounds of the waterfall while enjoying the company of your guests.

Tree Elf Nest Patio

25-40 guests

Located above the dwellings, the Tree Elf Nest & Patio is a timber wood framed covered patio with stunning views of the mountains and a birds eye view of the Village! This space features a wood burning fireplace, fans, heaters, and removable siding making it usable year round. It also features an adjoining indoor space with AV capabilities and a full bar!

Ground Elf Burrows

Up to 24 guests

Located in the center of the Village, next to the Village Gardens pavilion, the Ground Elf Burrows is the only fully indoor venue space Ancient Lore Village has to offer. This unique, round room is designed to look like the inside of a whiskey barrel. With a wood burning fireplace, AV capabilities, and 70 inch flat screen tv, this space will wow your guests!

Yeti Cave

Up to 40 guests

Located just steps away from everything the Village has to offer is the Yeti Cave. This open air cave-like space features rock walls with a wood burning fireplace in the back! Use this space as a dance floor, meal location, wedding ceremony location, or, our favorite, a cigar bar! This unique space has endless opportunities for creativity.

Woodland Terrace

Up to 250 guests

Hidden in our magical forest, covered by a canopy of trees, sits an open space called the Woodland Terrace. Primarily used as a wedding ceremony location, the Woodland Terrace features old barn doors that open up to an aisle leading down the center of the field to an arbor.
